## **ALMA MATER**

Dear Alma Mater, smile upon thy children!  
Gladly we greet thee, altogether lovely;  
Peace be within thy classic halls and temples,  
Hail, Alma Mater dear.

Hail to the heroes who have gone before us.  
Young men and maidens, filled with true devotion!  
Bright is their glory, fadeless and undying,  
Hail to our heroes gone!

Hail to our classmates, bound by ties ne'er broken;  
Here once again we pledge our vows of friendship;  
Brave hearts and true hearts sound aloud the chorus:  
Long live our comrades dear!

Dear Alma Mater, tenderly thy children  
Gather, and bring to thee gracious salutations;  
Comrades, your voices lift once again in chorus,  
Hail Alma Mater dear!

## STETSON SONGS

### Stetson Victory Song

We are the guys from Stetson U.  
You hear so much about;  
The other schools all envy us whenever we go out,  
So fill your lungs and sing it out,  
And shout it to the skies,  
The Green and White forever  
We'll be loyal till we die.  
As we go marching and the band begins to play  
You'll hear us shouting,  
Stetson U. will win the day.

### Dear Alma Mater

Dear Alma Mater, we love your spirit:  
We love your valor true and fine:  
Your colors waving in all their glory  
All the honors won through time.  
Our school we cherish in all its glory  
Not another can compare.  
We love your vic-to-ries  
And Hatters all will fight for dear ole Stetson U.

### Stetson Hatters

S - T - E - T - S - O - N  
Stetson Hatters, Hatters  
S - T - E - T - S - O - N  
Stetson Hatters, Hatters  
Guard our line  
Now see us shine  
For we're the gang from Stetson U.  
(Now sing it.)

### Fight Song

On to victory we'll fight our way for Dear Ole Stetson U.  
Keep Fighting.  
If we win we'll live to see the day when we will push on thru,  
Keep Fighting.  
Alma Mater, we'll all be true, we'll work hard and we'll work  
for you;  
So on to victory, we'll fight our way  
For dear ole Stetson U.  
Work Together, Push On Thru!

## **Cheer For Old Stetson**

Cheer for old Stetson,  
Stetson will win.  
Fight to the finish,  
Never give in!

Rah, Rah, Rah!  
You do your best boys,  
We'll do the rest boys,  
Fight on to victory.

Rah! Rah!

## **FOREWORD**

This **Handbook** is dedicated by the Student Association of John B. Stetson University to the new students. We hope that it will help you understand our campus life; but most of all, we hope that it will help you grasp the spirit which is an intrinsic part of Stetson.

This **Handbook** contains essential information for all students. We have tried to present this material from the student's viewpoint with the aim of answering the questions which are in the mind of every new student. Please read this **Handbook** and use it as your guide.

Every new student is invited and urged to participate in campus activities. They are your activities, and it is your privilege to contribute of your interest and initiative. We extend to you a hearty welcome and greeting as you become an integral part of our Stetson family.

## **HISTORY AND HERITAGE**

DeLand Academy, which later became Stetson University, was established in 1883. There were 13 students and one teacher in the beginning. Total enrollment last year was 2,615 and there were 125 members of the faculty.

In 1876, Henry A. DeLand of Fairport, New York, was so impressed by the pleasant climate and tropical scenery surrounding a small unnamed settlement in central Florida that he decided to make his home here. From the first

he manifested such an active interest in the growth and development of the community that it soon was named DeLand.

In 1884 he built DeLand Hall, which houses the present School of Music, and moved the year-old Academy into the new building. He proposed to the Florida Baptist Convention that if the Convention would contribute \$10,000 he would donate an equal sum along with the Academy property. This was done, and in 1887 the school was incorporated as DeLand University. Later, at the request of the original benefactor, the name was changed to John B. Stetson University in honor of the Philadelphia hat manufacturer who had given much of his time and wealth to aid the advancing young college.

Stetson University was conceived with Christian ideals as its basis. Today, as always, that spirit dominates the whole of the University, a spirit which becomes our heritage when we become a part of the student body. Because of world conditions today our goals are even more significant than ever before: scholarship, culture and Christian character. As we adopt these goals for our own, we become a part of that spirit which our past has developed and on which the hopes for the future depend. This is our heritage, and it is our privilege to pass the heritage on to those who will follow.

**RULES AND REGULATIONS**

Each student at Stetson University is subject to the rules and regulations of the University as printed in the **Annual Catalogue** and in the **Student Handbook**. Failure to acquaint oneself with these publications can result in serious consequences. Below are listed some of the regulations about which a student will be concerned frequently, and a brief statement of the University's expectations concerning its students' conduct.

1. **Change of Registration.** See page 24, **Annual Catalogue.** Special fees, course changes.
2. **Withdrawal from University.** See page 26, **Annual Catalogue.**
3. **Academic Probation and Suspension.** See page 25, **Annual Catalogue.**
4. **Class Attendance.** See page 25, **Annual Catalogue.**
5. **Grading System.** See page 27, **Annual Catalogue.**

6. **Chapel Attendance.** See page 25, **Annual Catalogue**.
7. **Physical Education.** See page 35, **Annual Catalogue**.
8. **Expenses.** See page 29, **Annual Catalogue**.
9. **Conduct.** John B. Stetson University expects its students to conduct themselves as ladies and gentlemen. Such conduct is a part of essential character and cannot be legislated. However, there are certain rules and regulations concerning conduct, on and off the campus, which have been printed for the guidance of all concerned. These rules appear in this **Student Handbook**, and each student should familiarize himself with them.
10. **Membership in Music Organizations.** See page 166, **Annual Catalogue**.

#### **FOR ALL FRESHMEN**

1. Obey all University traditions, rules and regulations.
2. Make acquaintances with your classmates and others as soon as possible. Stetson is a friendly school. We speak to everyone whether we know him or not.
3. Take an active interest in all student elections in which you are concerned.
4. Join only those extra-curricular activities in which you are really interested. They will be an important part of your campus life, but remember that "majoring" in extra-curricular activities means neglecting important studies.

**PURPOSE OF FRESHMAN RULES:** To create among new students an enthusiastic school spirit and the loyalty that will last not only through four years of University life, but will carry over into life after college, and make for a better alumni group. All freshmen of Stetson Uni-

versity are expected to comply with these rules at all times with the exceptions as stated by the committee on freshman rules.

1. Freshman caps shall be worn at all times except on Sundays and when in attendance at formal affairs.

2. All school songs appearing in the **Handbook** are to be memorized during Freshman Week and are to be recited to upperclassmen on request.

3. All freshmen are required to attend all student assemblies except when on scholarship duties.

4. If called upon by upperclassmen to perform duties of a constructive nature, freshmen are expected to respond promptly and willingly.

**IMPORTANT:** Upperclassmen must refrain from requesting any act which will offend the sense of pride or honor of any freshman.

5. On a date set by the Freshman Rules Committee, contests will be held between the freshmen and an equal number of upperclassmen. If the freshmen are victorious, they may discard their caps; if the upperclassmen win, the freshmen must wear their caps until further notice by the Freshman Rules Committee.

6. Freshmen must carry **Student Handbooks** with them constantly during the first quarter.

7. These rules will be carried out to the fullest extent with members of the Stetson "S" Club enforcing them.

#### **FACULTY ADVISORY SYSTEM**

The University uses an individualized program. In the place of the old system in which general requirements were laid down for all students with little regard for individual differences, there has been instituted a system of individual requirements. The use of requirements as such has not been abandoned, but the method of using them has been changed. Instead of being laid down in

advance and applied generally, requirements are set up for each individual based upon his aptitudes, interests and needs.

Such a system requires methods and devices for discovering individual aptitudes and interests and an organization for counselling students. A group of faculty members has been chosen and is organized to act as counselors. A testing program is in use to supply the counselors with needed information concerning individual students. This is supplemented by reports from high schools from which the students come.

When a student enters the University he has an interview with members of the advisory council which is supplied with all the information that has been gathered concerning the student. By means of this initial interview and others from time to time, each student's educational program is worked out and directed.

### **STUDENT ADVISORY SYSTEM**

Each spring the Deans of Men and Women choose from the upper divisions a group of students to become Freshmen Advisers for the following fall season. These students are chosen, not for their high scholastic average nor for numerous extra-curricular activities, but for their ability to represent all phases of college life, and still further, to help each new student become a member of the Stetson family as quickly as possible. An adviser begins his contact with a freshman through correspondence during the summer, and such associations prove profitable to both adviser and advisee. It is the particular duty and pleasure of each adviser to stand beside his advisee until the new student is well established in college life, having found his place in the group and having adjusted himself socially and mentally to campus life.

## SOME "HOW TO STUDY" HINTS

In the University, the past meets the present for the future. Here the student is "exposed" to the experience and culture the race has accumulated. The hope is that he may add to it. The University can educate no one—it provides opportunity, facilities, tradition, counsel—but the student does his own learning. The following hints are good ones:

1. Ask each professor for his suggestions as to how to study his subject matter. Examine books on this in our library.
2. Start out the first day as a 100 per-center. First impressions often persist.
3. Make a written summary in cutline form of each assignment. Writing this calls on a motor brain area in addition to the visual one.
4. Have a regular time for preparing each course. This pays big!
5. Your I.Q. is less important than your "want-to"—don't send in your 2nd team. Grades below C will bar a man from ever being considered for admission to professional schools.
6. Be certain all assignments are in on time.

—H. W. Hurt

## **STUDENTS' DEPOSIT FUND**

Arrangements have been made for the establishment of student banking facilities at Stetson beginning with the fall 1949 quarter.

Under the plan students will be permitted and encouraged to deposit their personal cash in the Business Office of the University. Withdrawals of cash will be made at the discretion of the student with no restraint whatsoever on the part of Business Office employees. The Business Office may require a reasonable notice of withdrawals of large sums at one time due to the minimum amount of cash to be kept in this office.

The University will keep this money in an account at the Barnett National Bank designated "Stetson University Students' Deposit Fund." This fund is for the exclusive use of students and all transactions must be handled through the Business Office.

Regular banking procedure will be put into effect. A pass book will be issued to each student having an account. This book must be presented with each transaction. A regular deposit blank will be used to deposit money and this will be recorded in the pass book to reflect not only the receipt by the Bursar, but also the new balance to the credit of the student.

Checks will be used for withdrawals of money and they will not be negotiable or cashed at any place except the Business Office. In effect, they will resemble checks but actually be a receipt signed by the student that he received a certain sum of money from the Bursar which is to be charged to his personal deposit account. The pass book must be presented to make these withdrawals.

The University will be compelled to make a nominal charge to cover the cost of bookkeeping and supplies.

It is expected that this new service to the students at Stetson will meet with popular approval.

## **SAMPSON LIBRARY**

The library is a depository of knowledge, culture and experience in printed form, and serves as a general laboratory for the entire college community—students and faculty. It is the hope of the library staff that students will use the library for both study and recreational reading. The staff will gladly assist any student in locating and using library materials. Hours will be found posted on the door of the Library Building. Each year a handbook is published which gives detailed instructions concerning the use of library resources. This handbook may be secured at the Charge Desk in the Reading Room of the University Library.

## **THE UNIVERSITY INFIRMARY**

The infirmary service of the University, under the competent graduate nurse, provides for the care of all minor illnesses and the relief of acute conditions which do not require special nursing. Supplementary to the service afforded by the University Infirmary, a student may at his own expense secure any available physician he desires. The University requires that all illnesses be first reported to the University nurse.

Chapel cuts are sent to the Registrar's Office at the end of the week by the Infirmary. When a student is given an excuse from class from the Infirmary, he or she is then responsible for giving this excuse to his or her instructor. No student will be excused from class unless the Infirmary has been notified before the class begins, or during the class hour. All dormitory girls must sign out when remaining in the Infirmary overnight.

## **CHURCH ATTENDANCE**

All students are urged to attend Sunday School and church services on Sunday. The University cooperates to this end with all churches in DeLand. On Sunday work is suspended throughout the University, and the office buildings, the laboratories and the libraries are closed.

## **THE VESPER SERVICE**

The Vesper Service is a non-denominational service sponsored by the Baptist Student Union Council and meets each evening at 6:30 at a place to be posted on bulletin board. It seeks to strengthen the spiritual life of the student body.

## **THE BAPTIST STUDENT UNION**

The Baptist Student Union is the connecting link between the Baptist churches of DeLand and the University. It is the recruiting agency and training activity for the local churches.

The B. S. U. is made up of students who are members of a local Baptist church or who participate in one or more of the unit activities. The functions of the B. S. U. are led by the B. S. U. Council which includes general officers elected annually and the presidents of the following campus unit organizations:

**The Volunteers for Christian Service** is an organization composed of students who plan to do full-time religious work aside from that of the preaching ministry. Membership is open to all students who indicate a desire to join and a willingness to live up to the motto of the group, "that in all things Christ might have pre-eminence." Meetings are held twice monthly.

**The Ministerial Association** is composed of young men who are studying for the ministry. To be eligible for

membership, the student must be recommended by a Christian church as a candidate for the ministry.

**Young Women's Auxiliary** is open to all young women in the University. It engages in the study of the various phases of mission work and personal service. The Y. W. A. meets twice each month and through its programs seeks to enrich the spiritual life of its members.

### **STUDENT RELIGIOUS ORGANIZATIONS**

The following denominational activities are organized on the campus: Baptist Student Union, Don Everson, president; Canterbury Club for Episcopal students, Bruce Perkins, president; Wesley Foundation for Methodist students, Joyce Collier, president; and Westminster Fellowship for Presbyterian students, Dorothy Ballentine, president.

### **WOMEN'S STUDENT GOVERNMENT ASSOCIATION**

The Women's Student Government Association welcomes all new women with a hope that each will find a genuine interest in its activities during her years at Stetson. Every resident woman is automatically a member of the Women's Student Government Association. It is an organization formed and controlled by the students themselves and aims at producing the best possible college life for all. It not only seeks the welfare of the group, but also seeks the welfare of the individual. It calls on each girl for a standard of conduct that the students of the past and present have wished to maintain.

Its success in the past has depended wholly upon individual dignity, integrity and responsibility. The future will be determined in like manner. Each girl is called upon for whole-hearted participation, realizing that through this participation she, as an individual, speaks and will, as an individual, contribute to the standards of Stetson University.

The resident women once a year elect an executive council which seeks to serve the students in every capacity.

Each dormitory has a house council which functions as a unit of the executive council.

## Alpha Dexioma

The Alpha Chapter of Dexioma was established at Stetson in May, 1940. The purpose of the organization is to promote democratic friendship and understanding among its members and to broaden the social, political, athletic and religious life of its members. All women in Stetson University, who are not associated with a national social organization, may become members.

### SORORITIES

**Alpha Xi Delta.** Omega Chapter was established in Stetson in 1917.

**Delta Delta Delta.** Alpha Delta Chapter was established in 1913. For several years previously it existed as a local.

**Phi Mu.** The Alpha Xi Chapter was established at Stetson in 1949.

**Pi Beta Phi.** Florida Alpha Chapter was established in 1913, having existed as a local for several years previous to that time.

**Zeta Tau Alpha.** Beta Psi Chapter was established in 1934, after having existed for several years as a local.

### Membership

Approximately one-half of the co-eds do not belong to sororities. For various reasons these girls either may be unable to join a sorority or may not wish to become affiliated with any such group. In any case, a girl is judged by what she is as a person and not by any organization to which she belongs.

**1. Sorority Chapters.** A chapter is a group of college women who have elected to establish a close affiliation with one another for four years as college students and thereafter as college and sorority alumnae. The chapters are largely self-governing. They maintain high ideals in scholarship and in social customs.

**2. Rushing.** At the beginning of each school year, the sorority chapters on the campus have a period known as deferred rushing followed by a short period of formal rushing. Deferred rushing gives girls, who are interested in pledging to a sorority an opportunity to become acquainted with the sorority women on the campus and to know something of their organizations. During formal rushing each fraternity entertains rushees at a series of parties.

Alumnae members of each sorority send recommendations to their chapter for sisters, relatives or friends entering college who they think would be adaptable to these chapters. During formal rushing these recommended persons largely make up the group of rushees. Informal rushing is carried on during the remainder of the college year during which time each sorority is permitted to invite rushees to the chapter room to be guests at parties, etc. This latter type of rushing is done to select new members from acquaintances made through cam-

pus contacts and new friendships as contrasted with contacts made through recommendations of alumnae and friends.

Careful thought should be exercised before a girl accepts a bid, for pledging means choosing friends for her entire active and alumnae sorority life. She should not plan to pledge to a sorority unless she intends ultimately to become a college graduate, nor should she accept the expense of membership (which is not exorbitant) until she thoroughly understands the amount involved and her ability to meet it. Women, who have work scholarships granted by the University, may be rushed by sororities, but they cannot accept bids while on work scholarships.

All groups are worthy of membership and rushees are urged to make decisions independently and on the basis of congeniality.

It is beneath the standards of sorority women to speak disparagingly of nay chapter or any sorority. A member of one organization, who so far forgets as to criticize any member of another group, or the group as a whole, will discredit herself in the eyes of all sorority women and rushees,

It is beneath the standards of sorority women to allow any illegal methods in rushing. A sorority member may give information on the history, standards, finances and program of her sorority.

3. **Panhellenic.** Panhellenic is an organization composed of two delegates from each sorority on the campus. There is the closest cooperation in Panhellenic on such matters as the maintenance of University and sorority standards, scholarship supervision, social affairs, etc. Rushing is also regulated and governed by the college Panhellenic. The main purpose of a college Panhellenic is to provide a medium through which sorority women may work together, may cooperate to unify the interests of women students..

At this time invitations to membership, based upon selection by the sorority and the rushee's preference, will be placed in the dormitory rooms. After the rushee has returned to her room at 11:30 and received her invitation, she should proceed to the sorority room indicated.

Disciplinary matters, unless handled by the Dean of Men, will be referred to the Committee on Student Conduct. While the University does not single out any particular action for penalty, each man should understand clearly that any conduct on his part which results in bad publicity for the University or which is a reflection against the ideals of the institution will cause him to be called before the Committee on Student Conduct to give an account of his actions, and that he will be liable for suspension.

The chief officer of each fraternity must reside in his fraternity house or designate a representative to act in his place.

## SPECIAL INTRAMURAL EVENTS

### DRAMATICS

#### Rules

1. A scene or scenes from a longer play instead of a one-act play may be presented.
2. No play may require more than 55 minutes for presentation. All incidental music, et cetera, must be included within this time limit.
3. The number of persons in the cast is not limited.
4. Permission to use plays and payment of royalties must be handled by each manager directly with the publishers BEFORE the play is presented.
5. The order of presentation will be determined by lot.
6. Each cast will require not more than six minutes to set its stage and two minutes to clear. This rule may be waived at the discretion of the dramatic intramural leader.
7. No wall decorations of any kind, no screens used as backgrounds nor backdrops supported in any way may be used. This rule may be waived at the discretion of the dramatic intramural leader.
8. The regular intramural rules will govern all other problems.
9. Absolutely no persons other than those who belong to the intramural group will be allowed to participate in any way connected with the production of the play.
10. Theta Alpha Phi members are excluded, but will be allowed to direct the production if the managers call them.
11. Types of plays to be presented will be comedy, farce and melodrama.

### **Plan of Contest**

The leader of intramural dramatics will give each group a statement as to locations of doors and windows, a cyclorama and an exterior set, if possible. He will co-operate in every way with coaches and casts, but the latter must take entire responsibility for securing properties. Since neither settings nor properties will be equally suitable for all plays presented, it is obvious that judges will NOT judge the stage sets but the play presentations themselves.

Each cast is responsible for setting its own stage and for removing its properties immediately at the close of the play, so that the cast presenting the next play may set its stage properly.

All plays will be presented on the one night, and the announcement of the winners will be made after the last play is over.

### **INTRAMURAL DEBATE RULES**

1. Florida Beta chapter of Pi Kappa Delta will select and publish topics for debate and the time to be allotted for speaking.
2. Any members of the participating intramural groups, who have not engaged in intercollegiate debating at Stetson University or at another institution of collegiate standing are eligible to participate.
3. Collegiate debaters and members of Pi Kappa Delta may serve as coaches for the groups.
4. There shall be preliminary and final rounds. The winners and the runners-up in both men's and women's divisions shall participate in the finals.
5. The debaters will be judged on the basis of (1) delivery, (2) content and logic and (3) ability to hold interest.

## **ANNUAL INTRAMURAL SING**

The purpose of the intramural sing is to develop an interest in singing through competitive participation among the undergraduates of Stetson University and to give as many as possible an opportunity to express themselves through music.

Under intramural regulations the contest is open to all undergraduates in social organizations on the campus, fraternity and non-fraternity students, with the exception of those who are listed as members of the Stetson Radio Chorus.

Each participating group in the contest will select one song of its own choice, the arrangement of which must be in at least three-part harmony. Songs used by local fraternities on campus will not be accepted by the judges. The judges are selected from among persons not affiliated with the organizations participating.

Each group will select its own leader who may be a member of the above mentioned Radio Chorus; however, such person will be restricted to leading and not singing with his or her group.

Each group participating in the contest will be judged on the following points: (1) appearance and stage presence; (2) leadership; (3) diction; (4) intonation; (5) interpretation; (6) arrangement; and (7) adaptability of song to each group.

The intramural sing is judged in two divisions, one for women and one for men. Silver loving cups are presented as trophies to the winner of each division. The group winning the contest three years in succession retires the trophy.
